

MOTION BY SUPERVISOR GLORIA MOLINA

October 7, 2014

Art Division is a worthy non-profit (501)(c)3 organization which trains and supports underserved youth who study the visual arts. Art Division provides in-depth services to young adults ages 18-25 in the Rampart District of Los Angeles; this at-risk population is within one of Los Angeles' most densely populated and underserved communities. With focused instruction, individualized tutoring and personal support, students receive the tools they need to pursue higher education, achieve self-sufficiency and begin careers in the arts and related fields. Art Division is also dedicated to community engagement and to building a thriving arts community in the Rampart District.

I, THEREFORE, authorize the Chief Executive Officer to execute a funding agreement with Art Division for \$100,000 from the First District allocation within the Project and Facility Development Budget.
